

BENEFITS ADMINISTRATION

US Able Life AccessAble® for benefits administration that's indispensable

Simplified online administration

Timely and accurate notification of employee changes is critical to successful benefits administration. US Able Life AccessAble, our online administration system, allows simple entry of employee changes, including new hires, benefit elections, salary changes, and terminations, as well as access to evidence of insurability pending status.

Administrative ease

Why do more than 4,000 groups use US Able Life AccessAble? For ease of administration. It offers real-time connectivity for administrators and consultants. It allows you to make elections on behalf of your employees or put enrollment in their hands. You can enable employee self-service for convenient online submissions.

US Able Life AccessAble is a group administration system supporting products underwritten by US Able Life, which include Group/Voluntary Term Life/Accidental Death & Dismemberment, Group/Voluntary Short Term Disability, Group/Voluntary Long Term Disability, Temporary Disability Insurance, Paid Family and Medical Leave, Accident, Critical Illness, and Hospital Indemnity Insurance.

US Able Life AccessAble® and US Able Life™ are used with the consent of US Able Mutual Insurance Company.
