

VOLUNTARY ACCIDENTAL DEATH & DISMEMBERMENT INSURANCE

Voluntary Accidental Death & Dismemberment insurance is reasonable

Voluntary Accidental Death & Dismemberment (VAD&D) insurance is being offered to you by your employer and USABLE Life as a convenient and flexible way to protect yourself and your family with solid, affordable insurance coverage.

Providing added protection

No one wants to think about life without a loved one, and no one wants to leave their loved ones responsible for debts or funeral expenses.

You work hard to provide for your family's financial security. If someone could suffer financially in the event of your accidental death, you need insurance.

USABLE Life's VAD&D coverage provides a layer of protection for you and your loved ones in the event of an accidental injury or death.

When you buy VAD&D insurance through your employer, you tap into the power of group purchasing at more affordable rates. The level of protection you choose should be determined by the life you're living. If you have dependents, protect your family to the fullest by insuring your spouse and children.

Eligibility

You must be actively at work for at least the minimum number of hours required and have satisfied the waiting period for your employer's plan. Eligible dependents include legal spouse (if not legally separated) and children under the age of 26.
