

GROUP TERM LIFE INSURANCE

Protection for your loved ones — Group Term Life insurance is affordable

Live life. You're covered.[®]

No one wants to think about life without a loved one, and no one wants to leave their loved ones responsible for debts or funeral expenses.

You work hard to provide for your family's financial security. If someone could suffer financially in the event of your death, you need life insurance.

For a small cost, USABLE Life's Group Term Life insurance helps you deliver on the promise to protect those you care about. In addition, Accidental Death & Dismemberment coverage provides a layer of protection for you and your loved ones in the event of an accidental injury or death.

This document provides a brief description of USABLE Life's Group Term Life insurance. This is not an insurance policy. Limitations and exclusions may apply and coverage may be reduced or terminated due to lack of eligibility. Please read the insurance policy carefully.

**Guaranteed issue amounts require no questionnaire, physical exam, or blood work. Amounts above the guaranteed issue are subject to additional review, including medical underwriting. Late applications may be subject to additional review, including medical underwriting.*

The Life Insurance Marketing & Research Association[®] suggests:

- If you have few debts and dependents, multiply your annual income x 7
- If you have a large family or debts, multiply your annual income x 10
