## Accidental Death & Dismemberment coverage

Accidents can happen anytime, anywhere. For pennies on the dollar, Accidental Death & Dismemberment (AD&D) coverage provides an additional layer of protection for employees and their loved ones in the event of an accidental injury or death. Standard benefits include coma, seatbelt/airbag/helmet, disappearance, and repatriation.

## Optional benefit enhancements include:

- Common carrier
- Child care
- Critical burn
- Felonious assault
- Special education
- Home and vehicle modification
- Rehabilitation
- Respite
- Spouse training and education
- HIV/Hepatitis

## The Dignity Planner<sup>1</sup>

USABLE Life is proud to provide The Dignity Planner, which allows your employees to create personalized funeral plans for themselves and their loved ones. Employees choose a location for a memorial and specify desires for burial, cremation, memorial services, charitable donations, flowers, obituaries, and death notices. After building a complete plan, it can be shared with loved ones.

## Global travel assistance

USABLE Life knows that unexpected events can happen whether your employees are traveling for business or pleasure. That's why we've partnered with AXA Assistance USA Inc.<sup>2</sup> to provide global emergency response and everyday travel assistance to our members, their spouses, and dependent children at no additional cost. Available 24 hours a day, year-round when you travel 100 or more miles from home, AXA services include emergency medical transportation, lost document and luggage tracking, emergency cash advances, multilingual translation, legal referrals, and more. AXA also gives helpful information for travelers through an extensive Travel Web Portal, including medical and security alerts, an online global medical provider directory, and vaccination recommendations.

## Identity theft assistance

Each year, an estimated 9 million Americans become victims of identity theft.<sup>3</sup> Too many of us are vulnerable to this potentially devastating crime. That's why USABLE Life has added AXA's Identity Theft Assistance<sup>2</sup> to your USABLE Life Group Term Life Policy. This service is available to all of your employees, their spouses, and dependent children.

Although it does not provide ID theft protection, the service offers educational information that can help reduce the risk of becoming a victim of identity theft. It also offers step-by-step guidance on what members can do if they become a victim of identity theft.
